

WHERE OUR GRANT FUNDS GO

In the year ending 30 September 2017, NZCT distributed \$43.3 million to 1,836 sports and community groups. Amateur sport is our main focus, so around 80% of the grants we distribute go to sports organisations. Each year NZCT funds around 50 different sports.

NZCT 2016/17 GRANTS DISTRIBUTED

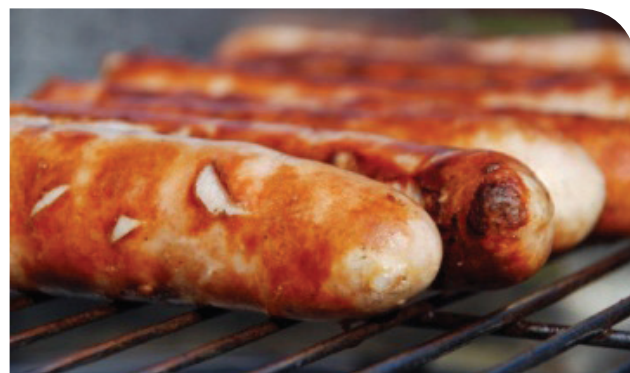

In 2016/17 we funded the equivalent of:

- Uniforms for 48,111 rugby teams ⁱ
- 2,886,666 footballs ⁱⁱ
- 5,412 four person wakas ⁱⁱⁱ
- More than 2.7 million hours (or 247 years) of coaching ^{iv}
- 29 artificial playing fields ^v

To raise this much money themselves, our grant recipients would have to:

- Cook and sell more than 2.5 million sausages at sausage sizzles (and this means every person in New Zealand would need to buy and eat four sausages!) ^{vi}
- Sell at least five raffle tickets to every man, woman and child in New Zealand each year! ^{vii}
- Wash around 8.6 million cars (which would take 10 people continuously washing cars, more than 49 years to achieve!) ^{viii}

Check us out on Facebook, Twitter or LinkedIn, or visit www.nzct.org.nz to find out more about NZCT.

- ⁱ Estimate a uniform costs \$60
- ⁱⁱ Estimate a football costs \$15
- ⁱⁱⁱ Estimate a four person waka costs \$8,000
- ^{iv} Estimate an hour of coaching costs \$20
- ^v Estimate the cost of laying artificial turf on a sports field is \$1.5m.
- ^{vi} Based on each sausage being sold for \$2
- ^{vii} Based on a \$2 raffle ticket and population of 4,653,138 (dept of stats info as at 18 January 2016).
- ^{viii} Based on each car wash costing \$5 and taking 30 minutes to complete, with 10 people doing the car wash
