

POPULARITY CLIMBS, BUT IT'S ALL DOWNHILL.

The Mountain Bike World Champs last year was fantastic and really put the spotlight on the sport. The 2007 NZCT Mountain Bike National Series is a terrific opportunity for all riders over the age of 13 to put their skills to the test.

This great event offers participants the chance to ride New Zealand's best tracks, some of which are only available during the National Series.

With downhill and cross-country rounds in Dunedin, Nelson, Levin, Auckland and at Coronet Peak and Treble Cone, it's a truly nationwide competition.

If it weren't for our publicans putting in time and effort to fundraise for their communities we couldn't have helped make the National Series happen.

For more details on mountain biking events in New Zealand, head to www.bikenz.org.nz.

NZCT
NZ COMMUNITY TRUST

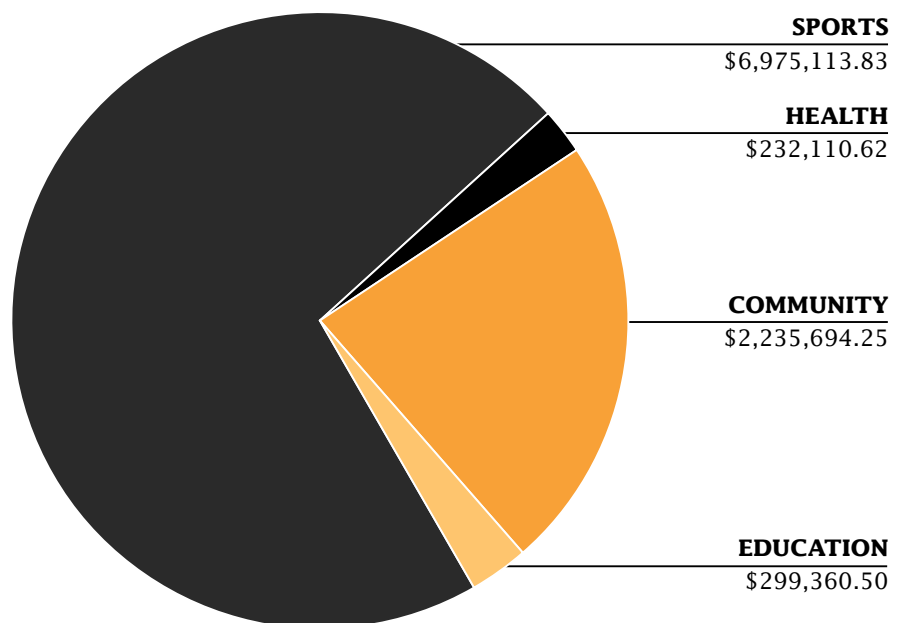

\$9.7 million

Cheers NZCT publicans! You've made all this possible.

"To remain a modern and top class facility, regular maintenance and upgrading is a necessity and thanks to the generous support of NZCT, the club is able to maintain that standard."

Mike Cronin
Wanganui Tennis Club

TOTAL GRANTS PAID FOR THIS QUARTER \$9,742,279.20
NUMBER OF GRANTS MADE 1,071
AVERAGE GRANT SIZE \$9,094.30

The support and outstanding effort of our publicans means millions of dollars have made a huge difference to many thousands of New Zealanders over the past quarter.

NZCT is the backbone of amateur sport in New Zealand. Between October and December we contributed almost \$10 million to the community, three quarters of which went to sports groups and organisations. NZCT helps beginners right through to world champions realise their dreams. We rely on our publicans to fund-raise for their communities. They work hard, are sports-mad and are proud to help local sport flourish.

Sporting activities keep Kiwis fit and healthy. Sport teaches team-work and discipline, encourages fair play and helps to develop friendships. NZCT is proud to be the largest funder of amateur sport in New Zealand.

Last year NZCT injected over \$29 million into sport in New Zealand, assisting with more than 3000 projects. We have provided wide-ranging support, including coaching,

lighting, ground hire and training equipment... through to upgrades for sporting facilities.

We give everyday Kiwis the chance to do their best and exceed their goals. For example, tennis is an enjoyable challenge all year round for players as young as four years old right up to those aged 85 and over! The Wanganui Tennis Club, for instance, is one of the oldest in the country, but NZCT is helping keep it up to date with a grant for court resurfacing. With NZCT's help the Wanganui Tennis Club will continue to grow and hopefully produce more great talent.

In the south, NZCT is putting the Tasman Rugby Union in the right direction. A grant contributing to the salary of their Director of Rugby means up-and-coming players will have the benefit of great experience and leadership in 2007.

There are so many more similar stories about sports people receiving a helping hand from NZCT and it's all thanks to our publicans.

At NZCT, local gaming means local funding. Funds raised by our publicans go back to the community in which they were raised.

That's why NZCT has established six Regional Advisory Committees. These consist of prominent and skilled local people who help ensure that the funds raised in each community are wisely distributed to local sporting groups and organisations. The local knowledge and advice these committees contribute to the grants decision-making process is invaluable.

We look forward to continuing to contribute and return even more to our local communities.

Kind Regards

Mike Knell
Chief Executive

THIRTY YEARS ON AND STILL FLYING HIGH!

NZCT is the principal funder of the Life Flight NZ air ambulance service. We're proud to have helped Life Flight NZ reach its 30th anniversary in 2006.

The Life Flight Trust has two pressurised planes - one based in Wellington, and the other in Auckland. These ensure patients from any region in New Zealand can access specialist healthcare resources outside their local area.

This valuable service transfers patients between hospitals, transports premature babies to

advanced neonatal care and has even flown medical specialists, organs and blood between hospitals in emergencies.

It's thanks to our publicans' hard work that NZCT was able to contribute a total of \$1 million in 2006 to keep this important service in the air.

WORK IN PROGRESS...

Work completed! Thanks to our publicans, a \$250,000 grant from NZCT secured the final core funding for the Rotorua Energy Events Centre. A key venue for many sports including netball, basketball and squash, the centre is an important facility for the community.

There had been a shortfall of about \$1.5 million, due to cost escalations and site work problems. NZCT now has access to a wealth of great local knowledge due to the establishment of our Regional Advisory Committees.

The Bay of Plenty Regional Advisory Committee strongly recommended that the funding be made available for this project.

The Rotorua Energy Events Centre will benefit the entire community and that's why NZCT and our publicans are proud to support it.

GAMING FUNDS FOR AMATEUR SPORT AND YOUR COMMUNITY

The New Zealand Community Trust (NZCT) is the largest funder of amateur sport in New Zealand. Grant funding is available and applications for funding will be considered in the first instance for any sports club, association or community organisation for the promotion of amateur sport and, secondly, for any charitable, philanthropic, cultural or any other purpose that is beneficial to the community or any section of it.

The Net Proceeds Community of NZCT will consider all applications for grant funding. This committee comprises any three of the Trustees and/or Tony Gill, National Grants Manager (former National Funding Manager, CCS) and/or Murray Charlesworth, Quality Assurance Manager (former Process and Quality Manager, Call Centres, WestpacTrust). The committee meets monthly and is the final arbitrator of applications before sign-off by the Board.

It is NZCT's policy to return funds to the areas where they are raised, subject to any funds which are retained for distribution to national societies or agencies.

Details regarding the criteria against which applications will be considered are provided on our website and on the NZCT grant application form.

Any complaints regarding the distribution of grant proceeds must be sent in writing addressed to:

The Chief Executive Officer,
New Zealand Community Trust,
PO Box 10-857, Wellington.

Complaints received will be acknowledged in writing within two working days of receipt and responded to within 10 working days. Applications must comply with the Gambling Act 2003, the licence conditions made by the Secretary of Internal Affairs pursuant to the Act, any regulations made under the Act and the Trust's policies. Incomplete grant applications will not be considered.

The trustees are Peter Dale (chairman), former CEO Hillary Commission, Alan Isaac, retired chairman of KPMG and sport administrator, David Pilkington, company

director of a variety of companies, Peter Robertson, former General Manager Finance and Group General Manager International of the New Zealand Dairy Board, and Ian Wells, former senior manager in the newspaper industry, sports administrator.

The CEO is Mike Knell, former senior manager in the transport industry.
