

## The NZCT brand story,

NZCT gives out around \$40 million in grants every year from funds raised by our gaming venues.

Our grants support all kinds of important causes from rescue and life-saving services, arts and community groups to poverty reduction and education but our main focus is to provide funds for amateur sport. Around 75% of our grants are for sporting endeavours, from beginners to world-class athletes.

Few things excite our nation more than sport and our brand symbolises our commitment to sport. It also symbolises over-riding commitment to being the best at all we do.

The NZCT brand is reflected in a logo made up of four key elements: Our name, the silver fern backbone, a distinctively 'Kiwi' colour palette and the contemporary font used.

The silver fern backbone is inseparable from our name. It is what grounds our logo and our organisation. We are widely considered to be the 'backbone of amateur sport' – our funding makes it possible for athletes of all levels to participate in their chosen field.

We are proud of the difference we make to the lives of New Zealanders and immensely grateful for the support and hard work of our venue operators, who make each grant possible.

Correct use of our logo helps to tell the NZCT story widely through our communities so that this hard work is recognised.

## Clear Space Requirements

To ensure the NZCT logo can be clearly recognised, it is important that our minimum clear space specifications shown below are met. The clear space area is marked with an 'X' and is equal to 1/2 of the "N" in NZCT.

## Silver Fern

The silver fern icon is the backbone of our logo and the NZCT logo must never appear without it.

There are times when the silver fern icon can be used on its own – particularly as a watermark behind large bodies of text.

If you are interested in using our silver fern on its own, you will need to contact the NZCT marketing and communications manager on 0800 446 928.
